

MARY'S PLACE SOLIDARITY WALK 2024

Join Us

for the **Solidarity Walk**, where we invite all members of the community to participate and provide support for others as we walk in solidarity for the survivors of sexual assault.

This uplifting event offers community members a unique opportunity to **join in the effort** to end sexual violence, **show their support** for survivors and **raise awareness** of the struggles they face, as well as **learn more** about the programs and services offered at Mary's Place.
